

# THE BELLEAIR ARCHIVES NEEDS YOUR HELP

**BELLEAIR MEMORIAL TREES:** Belleair has a long-standing tradition of permitting residents to arrange with the Town to have trees planted in memory of family members or friends. The Town Archivist is trying to identify and locate all of these dedicated trees. If you have had the Town plant a memorial tree for anyone, or know of a dedicated tree in Town, please let us know.

**BELLEAIR AUTHORS:** The Belleair Archives is collecting books from all Belleair authors for our library. If you have written a book (on any subject), please let the Archives know so that the Town can add it to its collection. To date, the Archives has copies of books by Rex Beach, BonSue Brandvik, Owen Schlaug, Daryl May, Lil Cromer, Ernest Hallett, John Prevas, and Pedro Martin-Moreno.
